

FACTS:

The ziegelei101, formerly a location for TV productions, today is part of the landscape of reputable TV studios and a location for events in an outstanding setting:

The brick building with its typical warm red color welcomes its guests in a time-honored building from the industrial era. In contrast there is the modern interior of the Studios 7 + 8, flooded with light and individually customizable, and of the Heizhaus, a versatile, inviting meeting place.

FACILITIES:

- WLAN
- air-conditioned
- power current (16 A, 32 A, 63 A)
- barrier free delivery (at ground level)
- ancillary rooms available (organization office, meeting and make-up rooms).
- floor-length molleton curtains (black and white, on a hire basis)
- not bound to a special caterer (network of preferred catering partners)
- technical partner: Plazamedia
- day light
- parking spaces: more than 400
- truck access
- list of hotels nearby (on request)
- sample floor plans available, individual floor plans on request
- laminated wooden floor

Event conception and implementation upon request.

SPECIAL FEATURES:

Suitable for car and truck presentations +++ private ground for prototype vehicles +++ test track 5 min away (rental of a section of a former federal highway upon request) +++ 7 m ceiling height (flexible ceiling constructions enable different space concepts) +++ conferences and presentations with incidences of light +++ separately bookable meeting room with industrial ambiance on two floors +++ roofed inner courtyard for standing receptions, BBQs, etc. (no residents) +++ ideally located between airport and city center

Distances:

- Main station Munich: 12 km
- Munich Airport: 23 km
